UNDERCLASSMEN!*

A teacher:

Someone who cares for the education of a young adult. An adult themselves that shows and sees in others high expectations. They monitor students problems and progress on an everyday basis. Someone that shows humor and is knowledgeable like a role model to the students in their work base. A teacher that provides an array of different methods to learn. Someone that is flexible in their schedule for the education of a student to the diversity they produce. A person that shines high expectations in themselves to help better others.

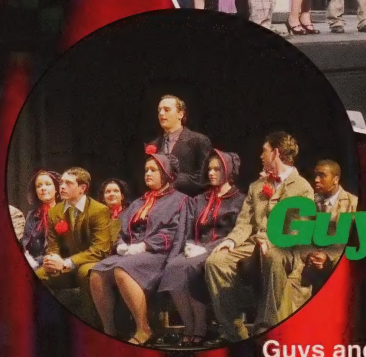
Let The Show Begin!

2011-2012 Theatre Class

LIGHTS, CAMERA, ACTION

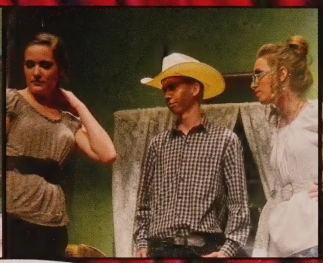
Kevin Russell
Director

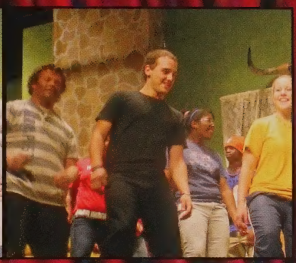
"From the start it has been the theatre's business to entertain people ... it needs no other passport than fun.".



Guys & Dolls JR.

Guys and Dolls Jr. was a musical set in the 1950s. The story revolves around a bunch of guys who are trying to set up the the "greatest crap game of the year" and a couple of "dolls" who want nothing to do with that!





A Bad Year For Tomatoes

A Bad Year For Tomatoes was a comedy starring Kori Maynor who played a Hollywood character actress who is wealthy but not happy. She wants to escape her city life and flee to a rural environment where she will live in peace and grow tomatoes. So she rents a cabin in a small town. Her curious and often difficult neighbors begin to disturb her peace and drive her crazy. Ultimately, she becomes the suspect in a supposed murder.

Alex,
Years have gone by so fast and now you have grown to be a man. We are so very proud of you. We believe in you.

P.S. Remember, I've got your back!

Shaun,

I can't believe how quickly the years have flown by.
You have been a constant in my life these past eighteen years and it will be hard to let you go.
I want you to know that you have truly been a blessing in my life and I am so proud of you.

As you continue your journey after high school, remember that the task ahead of you is never as great as the Power behind you.
Keep God first in your life, have faith and nothing will be impossible.
Love You Always,
Momma
